

Consent for Psychotherapy for a Minor

Child's Name:

Date of Birth:

I, , hereby give full consent for my child,

to receive the services of Teresa Brown, M.Ed., LPC until I notify her or she determines that services are no longer appropriate or will no longer be provided. I understand the first session with Ms. Brown is a consultation only. This consultation is for an evaluation of my child's mental health. It may take more than one session to complete the evaluation. I understand formal treatment is not initiated until Ms. Brown and I agree to do so.

I authorize Ms. Brown to carry out the psychological assessments and treatments which are advisable during the course of my child's psychotherapy. I understand that while the assessment and treatment is designed to be helpful and beneficial, it may be at times difficult and uncomfortable. There is an expectation that my child will benefit from the assessment, but there is no guarantee this will occur. I also understand that the nature of the psychotherapeutic treatment includes the possibility that symptoms may worsen before improving, and that there's no guarantee of a cure.

Confidentiality

I understand Ms. Brown regards the information my child shares with her as most confidential, and that she honors the right to privacy. I understand she adheres to what she believes to be a much more stringent set of confidentiality guidelines than those provided by the State of Texas or the federal department of Health and Human Services. Specifically, I understand Ms. Brown is required to disclose confidential information without my consent under certain circumstances that include, but are not limited to the situations listed below. Should disclosure be necessary, Ms. Brown will make every reasonable effort to inform me of this disclosure.

- If my child is evaluated to be a danger to themselves or others;
- If Ms. Brown believes my child is the victim of abuse or if they divulge information about abuse;
- If my child divulges information which would cause Ms. Brown to reasonably believe that my child has abused a minor, an elderly or disabled person, or a member of another protected class;
- If I file a suit against Ms. Brown for malpractice;
- If a court order, other legal proceedings, or statute that requires disclosure;
- If Ms. Brown is required to report certain professional ethical situations, she will abide by Texas laws
- I further acknowledge that a third party payer may have limited access to otherwise confidential information.

If the course of therapy reveals any intent by my child to harm either themselves or others, I acknowledge Teresa Brown, M.Ed., LPC's legal and moral duty to prevent my child from bringing this harm about. I specifically give my irrevocable permission to warn those parties she feels may be harmed. If my child reveals an intent to harm themselves, Teresa Brown, M.Ed., LPC has my permission, irrevocable, to prevent them from accomplishing any intent.

Records

I understand it is stated law that licensed professional counselors maintain a record of the treatment given to my child. This record will contain the information that will allow Teresa Brown, M.Ed., LPC to chart the course of therapy. She will use it only for that purpose. It is her intent that no one will ever see what is contained in the file. I understand I may get a copy of the file only by providing her with a signed release of information request. Teresa Brown, M.Ed., LPC may provide me with a synopsis of the course of treatment and outcome in lieu of the actual record. I agree I will pay in advance for either the copying cost of the actual record or the time required for the preparation of the treatment summary. This includes providing copies or reports to any court or legal representative or designate. If the therapy sessions contain more than one patient, I agree that no one person may get the complete treatment file. I agree Teresa Brown, M.Ed., LPC may synopsize the course of each individual's treatment as opposed to providing a copy of what notes may have been made during any therapy session.

If I have or plan to file for reimbursement with a managed care or an insurance company, I am aware that she may have to waive my right to confidentiality as it pertains to the managed care or insurance company. I am aware that the organization is not bound by her ethical and legal requirements on maintaining the confidentiality my treatment may require. Once these records are in the possession of the managed care or insurance company, Teresa Brown, M.Ed., LPC cannot guarantee their continued confidentiality.

Termination of Treatment

I understand the length of time required for therapy will be determined by my child's personal situation. I understand Teresa Brown, M.Ed., LPC will do her best to fulfill their therapeutic needs and to provide him/her with her best professional care. For my part, I agree to participate in the process of supporting my child to the best of my ability. It is intended that when my child's needs are met, to the extent that they can be, we will terminate our relationship.

I understand for my part, I may terminate treatment at any time. This may be accomplished in any one of several ways. I also understand the method I choose to accomplish termination will impact any decision to resume a therapeutic relationship with her.
